

ANNUAL REPORT 2016-2021

Nongstoin College

Brief History of the College

Introduction:

Nongstoin College is one of the oldest co-educational Institutions located in the West Khasi Hills District of Meghalaya. It was set up by the group of local people in the year 1978 to cater the needs of the higher education for the rural tribal hill students of the region. It was recognized by the North Eastern Hill University in the year 1990 for running the Under Graduate Pass Course for Arts Stream. With so many difficulties and problems, the College is able to open up the Honours Subject in the year 2000 with the Temporary Affiliation. Since then the College strives to march forward to cater the needs of the people as the Motto says 'Learn to Serve'. The Governing Body accepted and approved the proposal of Vision, Mission and Objectives of College made by the IQAC within the framework of National Policy on higher education and at the same time catering to the needs of the society as our founding fathers dreams for it. The Vision, Mission and objectives are outlined as under:

Vision:

- To instill a spirit of full commitment and devotion among students at the mental and spiritual level so that they become good citizens who would serve the society as enshrined in the College motto.
- To produce leaders who will be agents of social change, primarily among the communities they live in, and in the nation as a whole; and to make the College serve local, national and as well global needs by providing quality human resource, by shaping intellectually sound, ethically sensitive and socially compassionate graduates.

Mission:

- To promote social unity, religious tolerance and community development to foster national Integration with a thrust on achieving academic ambience.
- The College Mission is to achieve the vision of the founders by establishing and managing educational institutions based on the four cardinal principles of discipline, sound education, sports & service.

Objectives:

- To prepare students with unflinching faith and determination for better avenues of job opportunities with an impetus on spiritual values in life.
- To provide a conducive ambience for students from all sections of society to acquire quality education.
- To evolve an innovative and suitable curriculum to make graduates employable and get them placed.
- To inculcate service-mindedness through service learning programmes.
- To develop sound sportsmanship by promoting sports and games.
- To foster the spirit of toleration in a pluralistic society.
- To make students leaders, entrepreneurs and job-creators not job seekers; and
- To equip them to face any challenge, anywhere, with self-confidence and self-discipline.

Thus the vision, mission and objectives of the institution are communicated to the teachers, students, staff and other stockholders through the prospectus. Recently the vision, mission and objectives of the institution are channelized through our College Website. The Principal along with the Heads of Departments briefly explained on the vision, mission and objectives of the institute during the first day to the newly enrolled students and at the same time reminds them during the Morning Assembly which is conducted by the institute on the first week of every month. The mission, vision and objectives of the College is communicated to the parents during the Parents and Alumni meet.

The Governing body is the top management body that conducts periodic meetings to discuss and frame policies and plans for enhancing the quality education as according to the needs of time. The main objective is to provide quality education to the disadvantaged and economically poor people living in the region. The Principal, being the Secretary of the Governing Body prepares the agenda for the introduction of new policy and submit to the Governing Body, for its approval. Once it is approved, the work is then executed with the help of the Academic Committee, Heads of the Departments and with the various Committees/ Cells /Units of the College. The office of IQAC is created by the Governing Body under the direction

of UGC to supervise, guide and suggests various policy measures for the smooth implementation of day to day functioning of the College and to monitor the quality in different areas.
