The Department of Chemistry, Nongstoin College, Nongstoin has organized a One-Day Workshop programme on “Application of Chemistry in Day-to-Day Life and its Importance” for the students of Class XI, Class XII and the B. Sc, on the 03<sup>rd</sup> of November 2023 in the college, and the resource person is Dr. Sunshine D Kurbah, Assistant Professor, Department of Chemistry, Pandit Deendayal Upadhyaya Adarsha Mahavidyalaya, Eraligool, Karimganj, Assam. This Workshop programme highlighted the pervasive influence of chemistry in daily life and underscored its importance in various fields.

The students actively participated in this programme by questioning and discussing the topics addressed by the resource person. The students were able to learn about the latest information related to the concerned subject.

The BSc Honours students also get to demonstrate some of the hands-on experiments to showcase the application of chemistry in day-to-day life. The students left with new insights into the practical applications of chemistry and a renewed motivation to explore this vital science further. It is hoped that such workshops will continue to foster an interest in chemistry and its potential to enhance our everyday lives while addressing global challenges in health, environment, and industry.

About 82 participants attended the programme

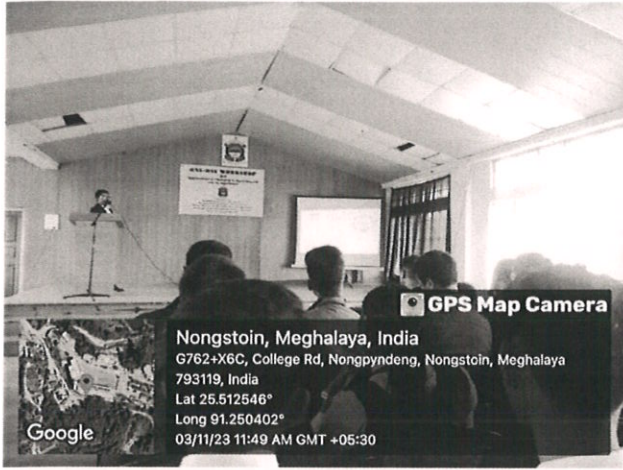

The workshop programme was a great success
